## ***Greetings Friend and Client! It's Tax Season again?***

Please use the updated Tax Information Package (**TIP**). The **TIP** will help you organize your tax information. There is valuable and helpful information in the **TIP**. The **TIP** will help you remember more deductions, hence, a larger refund for you! Finally, the use of the **TIP** will increase accuracy and reduce your chances of an IRS audit. **Please, use the TIP!**

### **How to get a TIP:**

- 1. Go to [www.ptaxes.com](http://www.ptaxes.com) and print out a blank copy to fill out.**
- 2. Go to [www.ptaxes.com](http://www.ptaxes.com) to fill out the TIP online then print it out.**

You will be called to set up a **webcam** appointment. We prepared over 50 returns last year by **webcam**. If you can't do a webcam, then we'll call or email to ask you questions, to answer your questions, discuss strategies and give you the final results. We prepared over 450 returns last year this way.

**Please, bring your 2008 tax return with your other valuable information!**  
**Saves you time & money!**
